WASHINGTON YOUTH MINISTRIES

WASHINGTON DISTRICT SENIOR CAMP 2026 REGISTRATION

On behalf of the Washington District Youth Ministries, we are pleased you are joining us this year for Senior Camp 2026. Our theme this year is “At Thy Word”. In the Gospel of Luke, we see the calling of Jesus’ first disciples realize the power and authority of Jesus after they become boldly obedient to His voice and direction. We want young people who want to not only hear the voice of God but are also confident enough to respond to His direction over our life and in doing so, we will see miracle after miracle in our lives and our district. This is a call to all young people in the state to participate in this year’s camp and see how the answer to the call will forever change their life and the world around them.

If you have any questions, please reach out to me personally and we can not wait to see you at WAYCAMP 2026!

1. REGISTRATION AND ADMISSION:

Registration must be complete and paid in full before admission to Senior Camp or participation in any activities, services and meals. Registered campers are not permitted to leave the grounds before check-out without permission from both the Camp Director and Head Counselor unless specific permission is given to the Parent/Legal Guardian registering the camper.

2. CABIN ASSIGNMENTS:

Registered campers are not permitted inside any cabin (other than the one they have been assigned) without permission and in the presence of a resident of that cabin. Anyone else that is not assigned to the cabin is not permitted inside without permission from the Head Counselor and in the presence of the assigned cabin's Counselor. Boys and girls and men and women are not permitted to enter a cabin assigned to the opposite gender for any reason. The Camp Director or Head Counselor may enter any cabin in the event of an emergency or if defacement of property has occurred. We will deny any requests to change cabin assignments unless permission from both Camp Director and the Head Counselor to change cabin assignments has been granted.

3. DIRECTIVES FROM STAFF:

Registered campers are to report directly to their assigned counselor and will comply with the directions of all counselors and staff. Should a conflict arise between a counselor and camper, it must be taken to the Head Counselor for consideration. Registered campers are to comply with all scheduled directives including activities, services, meals, showers, lights out and wake up and are to remain inside their assigned cabin with the lights turned off between the times of lights out and wake up. The parent and pastor of a camper found disregarding any directive will be notified.

4. RESPECT OF PROPERTY:

Registered campers are expected to respect the property of those around them, the facilities of which we are renting, and the natural surroundings thereof. Campers must also be responsible for their own property. Any camper found defacing anything that does not directly belong to him/her will be responsible for the value of the damage incurred.

5. RESPECT OF PERSONAL SPACE:

No hitting, kicking, tackling, pushing, shoving, inappropriate touching, pinching, slapping, grabbing, or hair pulling allowed.

6. PROHIBITED:

CELL PHONES and IN EAR AUDIO DEVICES, weapons, tools, drugs, tobacco, alcohol, and lighters are strictly prohibited and are not to be in the possession of any registered camper at any time during Senior Camp (cameras are okay).

7. MODESTY AND APPROPRIATE ATTIRE:

Registered campers must always dress modestly. Tight fitting clothes, sleeveless shirts, seethrough material, low-cut necklines, shorts or skirts above the knee and shirts showing a midriff are strictly prohibited. Girls are to wear skirts that are below the knee in length while standing and sitting and boys are to wear pants or shorts that are below the knee while standing and sitting. A slit in a skirt may not come above the knee while standing or sitting. Additionally, sleepwear and swimwear are not to be worn outside the cabin, shower area, or swimming area without a fully enclosing robe or other covering unless it fulfills the guidelines for modest apparel as outlined above. Swimwear should be age appropriate and modest (play clothes on the water slide are acceptable). Also, no aggressive, worldly, or inappropriate logos will be permitted to be worn.

8. SAFETY AND SECURITY:

Campers are always to remain on camp grounds or in the accompaniment of their counselor. Campers are not to leave the grounds with anyone not on staff, including adults that they may be familiar with. Campers should not be wandering the grounds by themselves or away from their assigned activity. Campers are to stay away from bodies of water, and water features (such as a water slide) when they are not assigned to be there.

9. FIRST AID AND MEDICATION:

All first aid must be rendered by the staff nurse and/or assigned assistance. All medication must be turned in to the nurse at registration. The nurse will record medications, dose, and frequency and campers are to respond to the nurse’s requests without hesitation. Campers are responsible to collect their medications at check-out.

10. PHOTOGRAPHY:

Washington District Senior Camp is designed to be a fun and spiritual experience for campers and staff. To aid in promoting the event, staff will be taking pictures and recording events for marketing and promotions. If you do not wish your camper to participate in being photographed, please indicate so on the registration form below.
